

"Maybe I WON'T be friends with you anymore, if you go around fishing for compliments like that."

I hadn't thought I was fishing
or maybe I WAS fishing because I did need to know that you like m.

And the thing is I **STILL** nd to know, Anjali, for all that **YOUR DAD**

I man dad

what the hck????

???

did I just los th lttr that gos btwn d and f?????

Com on--giv it back!!!!!! I us that lttr alot.

Anjali--ar you snding m a mssag that I shouldn't b sitting around hr sulking?

Ha ha Anjali

You always had a funny sns of humor.

Blah.

I just looked at the clock
it's my birthday now and not only is my best friend DEAD
but the e on my typerwriter is broken.
It doesn't FEEL like my birthday.
I think I have never felt so unfestive in all my life

morning

God I miss my typerwriter

Now it's my birthday and I'm stuck going to school. There should be a lawsuit against it but my mother says that as I have already availed myself of one Mental Health™ day this
